

CURRICULUM VITAE

Name:

Ramida WATANAPOKASIN

Present Position

Professor

*Director of the Joint Medical Programme
(Srinakharinwirot University- University of
Nottingham, UK)*

Current Affiliation:

Department of Biochemistry,
Faculty of Medicine, Srinakharinwirot University,
Sukumvit 23, Bangkok 10110, Thailand.
e-mail: ramidabc@gmail.com or ramidaw@g.swu.ac.th
Phone: 66-2-6495369, 66-82-4797824

History of Education:

B.Sc. (Honor, Chemistry)
M.Sc. (Biochemistry)
Master of Applied Science
(Biotechnology)
Doctor of Philosophy
(Biotechnology)

Khonkaen University, Khonkaen, Thailand
Mahidol University, Bangkok, Thailand
The University of New South Wales,
Sydney, Australia
The University of New South Wales,
Sydney, Australia

Academic Awards:

1. Gold medal award "Outstanding student of the year 1986" GPA= 4.00 for M.Sc. course, Department of Biochemistry, Faculty of Science, Mahidol University, organized by Prof. Thab's Nilanithi Foundation, Bangkok, Thailand.
2. MAppl Sci and Ph.D awardee under sponsorship of the Australian International Development Assistant Bureau (AIDAB), July 1990-December 1995 at Department of Biotechnology, the University of New South Wales, Sydney, Australia.
3. Outstanding Pre-clinical Instructor 2015, Faculty of Medicine, Srinakharinwirot University, Thailand.

Research Awards

1. "Women in Science 2005" organized by Loreal (Thailand) and UNESCO.
2. Award under "Fulbright Visiting Scholar Program 2006-2007", the Thailand-United States Education Foundation (Fulbright), at Harvard Institutes of Medicine, Beth Israel Deaconess Medical Center, Harvard Medical School, Boston, U.S.A.
3. "Outstanding Researcher 2011" Faculty of Medicine, Srinakarinwirot University.
4. "Outstanding Publication 2011" Faculty of Medicine, Srinakarinwirot University.
5. Newton Fund Ph.D. Programmes-Travel Grants for Supervisors 2015/2016.
6. Newton Fund Ph.D. Programmes-Travel Grants for Supervisors 2016/2017.
7. "Outstanding Publication 2017" Faculty of Medicine, Srinakarinwirot University.

Other Activities:

1. Director of the Joint Medical Programme (Srinakharinwirot University - University of Nottingham, UK), 2015-present.
2. Head of Biochemistry Department, Faculty of Medicine, SWU, 2011-2018
3. One of the four staffs "Research Encouragement Program", Academic Research Department, Thailand Research Fund, Bangkok, Thailand, 2002-2004.
4. Advisor for Master/Ph.D. students under "Molecular Biology", "Medical Biology" and "Biotechnology" Programs.
5. Teaching undergraduate students from Faculty of Medicine, Pharmacy, Nursing and postgraduate students under "Molecular Biology", "Medical Biology" and "Biotechnology" Programs.

Fellowships

1. MAppl Sci and Ph.D awardee under sponsorship of the Australian International Development Assistant Bureau (AIDAB), July 1990-December 1995 at Department of Biotechnology, the University of New South Wales, Sydney, Australia.
2. Visiting fellow under sponsorship of Faculty of Medicine, Srinakharinwirot University, November- December, 1996, Waseda University, Tokyo, Japan.
3. Postdoctoral Scholarship from Thailand Research Fund, 1997-1999.

4. Fellowship under the Memorandum of Understanding for Scientific Cooperation between National Research Council of Thailand (NRCT) and the Japan Society for the Promotion of Science (JSPS) November, 1998 at Faculty of Science and Technology, Sophia University, Tokyo, Japan.
5. Fellowship under the Memorandum of Understanding for Scientific Cooperation between National Research Council of Thailand (NRCT) and the Japan Society for the Promotion of Science (JSPS), November, 2000 at Yamaguchi University, Japan.
6. Fellowship under the Memorandum of Understanding for Scientific Cooperation between National Research Council of Thailand (NRCT) and the Japan Society for the Promotion of Science (JSPS) under the program “Microbial resources”, March, 2001 at Department of Molecular Biotechnology, Hiroshima University, Hiroshima, Japan.
7. Fellowship under the Memorandum of Understanding for Scientific Cooperation between National Research Council of Thailand (NRCT) and the Japan Society for the Promotion of Science (JSPS) under the program “Microbial resources”, March, 2002 at Department of Molecular Biotechnology, Hiroshima University, Hiroshima, Japan.
8. Fellowship under the Memorandum of Understanding for Scientific Cooperation between National Research Council of Thailand (NRCT) and the Japan Society for the Promotion of Science (JSPS) under the program “Microbial resources”, September - October, 2002 at Department of Molecular Biotechnology, Hiroshima University, Hiroshima, Japan.
9. Fellowship under the Memorandum of Understanding for Scientific Cooperation between National Research Council of Thailand (NRCT) and the Japan Society for the Promotion of Science (JSPS) under the program “Microbial resources”, March, 2003, Department of Molecular Biotechnology, Hiroshima University, Hiroshima, Japan.
10. Fellowship under the Memorandum of Understanding for Scientific Cooperation between National Research Council of Thailand (NRCT) and the Japan Society for the Promotion of Science (JSPS) under the program “Microbial resources”, November, 2003 at Department of Molecular Biotechnology, Hiroshima University, Hiroshima, Japan.
11. Fellowship under the Memorandum of Understanding for Scientific Cooperation between National Research Council of Thailand (NRCT) and the Japan Society for

- the Promotion of Science (JSPS) under the program “Microbial resources” November, 2004, Kyushu University, Fukuoka, Japan.
12. Visiting Professor at Center of molecular imaging diagnosis and therapy and basic science laboratory, Department of Radiology, Beth Israel Deaconess Medical Center, Harvard Medical School, Boston, U.S.A. Feb 2-May 30, 2004.
13. Fellowship under the Memorandum of Understanding for Scientific Cooperation between National Research Council of Thailand (NRCT) and the Japan Society for the Promotion of Science (JSPS) under the program “Microbial resources”, October 2005 at Yamaguchi University, Yamaguchi, Japan.
14. Fellowship under the Memorandum of understanding for scientific Cooperation between National Research Council of Thailand (NRCT) and the Japan Society for the Promotion of Science (JSPS) under the program “Microbial resources” from Sept 1- October 11, 2006 at Faculty of Environmental Engineering, Yamaguchi University, Yamaguchi, Japan.
15. Award under “Fulbright Visiting Scholar Program 2006-2007”, the Thailand-United States Education Foundation (Fulbright), at Harvard Institutes of Medicine, Beth Israel Deaconess Medical Center, Harvard Medical School, Boston, U.S.A, Nov 1, 2006-October 31, 2007.
16. Fellowship under the Memorandum of understanding for scientific Cooperation between National Research Council of Thailand (NRCT) and the Japan Society for the Promotion of Science (JSPS) under the program “Microbial resources” from Jan 15- Feb 14, 2007 at Faculty of Environmental Engineering, Yamaguchi University, Yamaguchi, Japan.
17. Fellowship under “ASEAN-European Academic University Network” ASEAN-UNINET Program April 1-30, 2008 at Department of Dermatology, Medical University of Vienna, Austria.
18. Fellowship under the Memorandum of understanding for scientific Cooperation between National Research Council of Thailand (NRCT) and the Japan Society for the Promotion of Science (JSPS) under the program “Asian Core Program; Capacity Building And Development Of Microbial Potential And Fermentation Technology Towards New Era” from Sept 26- Oct 20, 2008, at Department of Biosciences and Informatics, Faculty of Science and Technology, Keio Universit, Japan.

19. Fellowship under the Memorandum of understanding for scientific Cooperation between National Research Council of Thailand (NRCT) and the Japan Society for the Promotion of Science (JSPS) under the program “Asian Core Program; Capacity Building And Development Of Microbial Potential And Fermentation Technology Towards New Era” from March 2- March 31, 2010, at Department of Biosciences and Informatics, Faculty of Science and Technology, Keio Universit, Japan.
20. Fellowship under “ASEAN-European Academic University Network” ASEAN-UNINET Program Mayl 1-30, 2010 at Department of Dermatology, Medical University of Vienna, Austria.
21. Fellowship under the Memorandum of understanding for scientific Cooperation between National Research Council of Thailand (NRCT) and the Japan Society for the Promotion of Science (JSPS) under the program “Asian Core Program; Capacity Building And Development Of Microbial Potential And Fermentation Technology Towards New Era” from March 1- March 31, 2011, at Department of Biosciences and Informatics, Faculty of Science and Technology, Keio Universit, Japan.
22. Fellowship under the Memorandum of understanding for scientific Cooperation between National Research Council of Thailand (NRCT) and the Japan Society for the Promotion of Science (JSPS) under the program “Asian Core Program; Capacity Building And Development Of Microbial Potential And Fermentation Technology Towards New Era” from 2012-2017, at Department of Biosciences and Informatics, Faculty of Science and Technology, Keio Universit, Japan.
23. Newton Fund Ph.D. Programmes-Travel Grants for Supervisors 2015/2016.
24. Newton Fund Ph.D. Programmes-Travel Grants for Supervisors 2016/2017.
25. Fellowship under the Memorandum of understanding for scientific Cooperation between National Research Council of Thailand (NRCT) and the Japan Society for the Promotion of Science (JSPS) under the program “Asian Core Program; Capacity Building And Development Of Microbial Potential And Fermentation Technology Towards New Era” from 2012-2018, at Department of Biosciences and Informatics, Faculty of Science and Technology, Keio University, Japan.

Poster and Oral presentations

>100 papers
